The Class of 1976 declares

MRS. LESLEY BASMAJIAN

as our Teacher of the Year.

Mrs. Basmajian has been more than just a teacher, she has been an open and honest friend throughout our four years of high school. No matter how busy or rushed, she always could lend some time to help or to listen, or to just be there. The fun and sometimes crazy times that have been shared reveal that she shows the true Spirit of '76.

CLASS ADVISOR

When we entered W.H.S. in 1972, we started off lost, immature, and unknowing as to what to do. With the help of Mr. Francis Kelley, we became a class that worked together to carry out the things that were expected of us. As our advisor, Mr. Kelley was patient, generous and most of all, devoted. Having been so fortunate to have Mr. Kelley as our advisor, we would like to thank him and express our sincerest gratitude.
